

We craft
luxury,
standard
and custom
mattresses
to make
your sleep
better than
ever before.

Araam Inc. is the sole authorized manufacturer of Hypnos, Sprout and Sova beds in Canada, with the manufacturing facility strategically located in Edmonton, Alberta. We have been Canada's premier manufacturer of luxury, standard and custom mattresses for the last 20 years.

At Araam Inc., we are committed to working to the highest standards and you can trust that our products are clean, safe and durable. This is how we deliver total peace of mind guaranteed to all our customers. Our quality commitment extends to social, ethical and environmental responsibilities, and we are proud to be members of the key industry associations.

Hospitality

With a great night's sleep being the most important part of a hotel guest's experience, some of the world's finest hotels choose our beds to guarantee luxury, comfort and prestige.

Healthcare

Chemical-free & hypoallergenic mattresses, made with all-natural organic materials & fills, for medical or home use.

Dorms & Camps

Outfit your facility with our camp & dorm mattresses including bunk beds, latex mattresses, innerspring mattresses and mattress covers and toppers.
