

## Koda Logistics & Consulting Inc.

Our team is well diverse in the industry with over 25 years of experience.

We take pride in our exceptional customer service and are dedicated to maintaining the highest level of professionalism and confidentiality insuring our customers receive the highest quality of service they deserve.

We have established a central dispatch system, which is supported by a consortium of carriers.

This steps away from your conventional load brokerage platforms.

Our work is based primarily on project work. We offer set rates based on hourly & flat rates agreed upon by customer, Koda and carriers. All rates supplied are guaranteed from pick up to delivery and match the industry standards.

KLC supplies an experienced team for your transportation needs. We ease the workload between Field Consultants & Carriers, dispersing orders amongst our consortium of carriers or a carrier of your choice. We manage your freight with the precision it requires.

Carriers are qualified and orientated to the safety standards required within the oil & gas industry.

### Pilot Car Services

You can rely on KLC 24-7 for your piloting needs, to escort your loads safely from point A to point B.

We are knowledgeable in the field and can deliver the job on time.

We operate As Permitting Agents for Canada and USA destined loads

We specialize in

Oversize/Overweight & Super Loads, annual-term permits, SFC renewals, etc. We will work with you to get the most direct & cost effective Route for your permit

As consultants to the Industry KLC is here to assist you with any or all of your transportation needs.

For general information or a quote contact us at no obligation we look forward to hearing from you.
