

APPAREL SOLUTIONS

ROOTED IN TRADITION BUILT FOR PROTECTION

OUR SERVICES

CUSTOM SAFETY APPAREL

Workers can be exposed to a variety of risks and hazards. Apparel Solutions International ensures our safety clothing is constructed under strict UL guidelines and certifications to protect workers from a wide range of these risks. Allow us to properly recommend and outfit your employees on all kinds of job sites.

SAFETY SOLUTION EXPERTS

Apparel Solutions International safeguards workers with certified safety clothing programs and apparel, we are experts at designing and recommending safety in critical operations and conditions.

WHO WE ARE

Apparel Solutions International was founded in 2005 with the vision of providing innovative PPE and work wear solutions. We are a global leader in the design, manufacture, provision, and distribution of high-quality PPE safety clothing, including third party certified flame-resistant work wear, arc flash suits and gear, highly visible and reflective clothing, and other specialty work wear.
