Brittania Industries

Is an Alberta based **Natural Gas Compression** company that specializes in the fabrication of low to medium horsepower Natural Gas Compression Packages. more...

Brittania Services

Brittania's service departments in Leduc and Redcliff can help you establish a maintenance program to suit your needs quickly and efficiently.

Brittania's service department is manned with **qualified licensed mechanics** and fully equipped service trucks. We have the mobility to service compressor units, natural gas and diesel engines.

Our Redcliff facility specializes in the manufacturing, recondition and servicing of hydraulic skids, diesel, and natural gas engines for artificial lift units. This includes Arrow C series, Lister HR series, Ford, and Chev industrial engines, all of which Brittania has available in both new and reconditioned units.

All Your Production Equipment Needs

Brittania's Redcliff sales office manages inventory of new 100bbl to 750bbl containment tanks in both single and dual wall configuration. We also deal with special order portable tanks, conventional and hydraulic pump jacks, drive heads and separators, new and reconditioned. We also supply all your production equipment needs.

Fully Stocked and Tooled Service Trucks

Fully Trained and Qualified Service Techs (both in house and field)
