Mission Statement

The mission of Stuber's Cat Service is and always will be to surpass service and safety expectations with everyone who deals with them.

About Stuber's Cat Service

Established in 1975, Stuber's Cat Service is privately owned company specializing in oilfield construction and reclamation. Located in Barrhead, Alberta area, it has grown significantly since 1975, and is active in many different locations throughout Alberta, including Whitecourt, Drayton Valley, Athabasca, Westlock, Mornville, Spruce Grove and surrounding areas.

As third generation company Stuber's Cat Service has been a leader in heavy equipment operation, offering top quality work for the construction of oilfield leases, access construction, as well as well site cleanup and reclamation.

About The Owner

Owned and operated by Mike Stuber, the company was established in 1975 and incorporated in 1980. When Mike first started out in the business Mike ran equipment for his father, Edward Stuber, who owned and operated Cats. Mike bought his first piece of equipment from Edward in 1975, and then continued expanding, and upgrading equipment making Stuber's Cat Service what is today. Built on "Surpassing Service and Safety"

Mike is the company's President and CEO, while Delphi is the Office Manager and Safety Officer. Their son Trevor also owns equipment and works alongside his father.

Services

Stuber's Cat Service specializes in well site prep, cleanup and reclamation, along with general cat and track hoe construction. Serving central and northern Alberta, we offer 24 hour service with experienced operators

Some of the services we provide include:

- road building
