WATCHORN OILFIELD RENTALS LTD.

LOCATIONS: FAIRVIEW, GRANDE PRAIRIE, PEACE RIVER

Company Profile

- Watchorn Oilfield Rentals was formed as a division of Watchorn Plumbing and Heating Ltd. in 2005. Watchorn Plg & Htg Ltd started in January of 1990, providing plumbing and heating services to mostly commercial customers in town and camp maintenance in the oil patch. With the oil and gas industry growing we decided to make a change, we started with a few sewage containment tanks, potable water sheds and two waste water treatment plants. Since then we have grown with the demand of the Alberta oil patch. We now operate waste water treatment systems throughout northern Alberta and north east British Columbia.
 - Watchorn Oilfield Rentals uses only Government approved waste water treatment systems and prides itself in providing fast reliable service to all customers
 - In 2009 we added full service Wash Cars and Office trailers to our fleet. We offer a variety of sizes capable of serving 10 to 300 people whether it be for plant construction or camp support.
 - Watchorn Oilfield Rentals has continued to grow, and can provide water and waste water solutions to suit your needs. We can also provide camp and site support services to the oil and gas industry.
 - Watchorn Oilfield Rentals has Certificate of Recognition #20100518-SE6153 Exp. May 18, 2013
 - Watchorn Oilfield Rentals is a member of ISNetworld
-

FLEXIBLE WASTE WATER TREATMENT SOLUTIONS

Using the latest in waste water treatment technology our systems are designed to withstand the Alberta winters. Our systems use FAST technology which has no moving parts and uses natural occurring micro organisms to effectively cleanse high strength sewage. We also introduced MBR technology to our to systems it is treatment process that combines various biological processes with an integrated, immersed membrane system.
