Acclaim Insulation

With over 45 years of insulation experience, Acclaim Insulation is an industry leader in providing premium insulation services throughout Western Canada. We dominate in commercial, industrial, and mechanical insulation services.

We're fast

Acclaim Insulation is proud to state that we have two of the fastest and safest two man crews in central Alberta. Ask for them by name when you call for your industrial insulation needs.

Shawn and Tanner both possess a perfect safety record and pride themselves on their ability to complete jobs quickly and safely without sacrificing quality. Tanner has been running his crew truck in Central Alberta since 2005 and Shawn has been a crew leader throughout Alberta since 1998.

SERVICES

Hot and Cold Piping

This includes personnel protection and the application of all types of pre-formed pipe insulation in both hot and cryogenic services. This is the most important part of our service and we take pride in our craftsmanship and ability to adapt to any situation.

Equipment Insulation

Equipment insulation comes in many forms, the most common application being vessels in the petro-chemical industry. We do 400 BBL Tanks, asphalt mobile trailers, line heaters, pressure vessels, and more.

Glycol / Steam Tracing

We are experienced in steam and glycol stainless steel tracing and we have instrumentation technicians on staff for critical tie ins and reference.

Utilidor buildings and custom builds

We are very skilled at Utilidor and have completed many custom builds for water dumps, oil field buildings and additions.

Mechanical Insulation Supply

We can supply all types of insulation and cladding with a quick delivery date.

Third Party Insulation Project Supervision and Inspecting

We coordinate with customers to ensure scheduled work is completed on time and in sequence and the materials, installation and workmanship is of the highest quality.

Plant Turnaround Insulating

This includes budgeting for future shutdown insulation costs, pre-shutdown preparations, and post shutdown reapplication of insulation and cladding.

Plant Winterization, and Fire Proofing

This includes soft cover insulated blankets and hard cover insulated boxes such as fireproof boxes for valve actuators.
