BURTEX

INCORPORATED

Commitment to Service

Burtex Commercial Laundry is committed to delivering a quality product & great service at a reasonable price.

Burtex Commercial Laundry Offers:

Pick-up & Delivery Service

Take advantage of this service and save your company time and money.

On-Site Seamstress

For quick alterations, mending or creasing of name tags, etc.

Same Day Replacement of Damaged Work Wear

Our wash plant is located in the same warehouse as our **FireZero™** work wear, enabling same day replacement of coveralls and winter wear.

Quality Control = Peace of Mind

Burtex uses quality cleaning chemicals and the correct water temperatures to:

- ◆ Prevent the breakdown of the flame resistant properties in your garments.
- ◆ Enhance the life of your garments.
- ◆ All garments are cleaned according to the manufacturers specifications and industry regulations.
- ◆ Optimize wearer comfort.
- ◆ Reduce the risk of shrinkage.
- ◆ Prevent fading.

Burtex & FireZero™

Burtex proudly offers a full line of the industry leading FireZero™ work wear apparel. A brand that is trusted by safety professionals around the globe, and designed to save and protect your workforce.

FireZero™ fabrics & garments are manufactured to rigid specifications, & meet or exceed industry standards. Testing is done at the U of A PCERF Lab, and independent laboratories.

Using a 90% Pima cotton / 10% high tensile strength nylon blend, ensures wearer comfort. Using only top of the line products, including Aramid high tenacity thread ensures that the garments are not only comfortable and durable, but FR safe.

Our Fabric is Water & Stain Resistant!

FireZero™ Technology

FireZero™ Technology is designed to enhance & strengthen the performance of the Fr properties and integrity by forming a firm deepened fibre bond through wash cycles. The finishing treatment is an inherent finish that will not wash out.

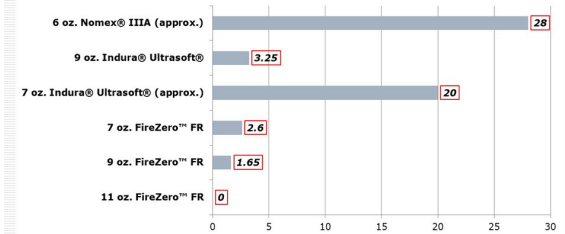

All FireZero™ fabric runs are put through the following tests after 10, 25, 50 & 100 wash cycles:

Flame Resistance testing, Tear Resistance, Breaking Strength, Dimension Change, Thermal Stability, Heat Resistance, Colorfastness to laundry / dryclean, Yarn Slipage, Seam Strength, & Thermal Shrinkage.

APTV Class	CAL / CM2	Garment Style
HRC1	4	FireZero™ Mesh Vest
HRC2	8	FireZero™ 7 oz & 9 oz shirts, Bibs, Coveralls, 13 oz denim jeans
HRC3	25	FireZero™ Fleece hood, 2 in 1 bomber, 3 in 1 jacket
HRC4	40	FireZero™ insulated and extreme outerwear

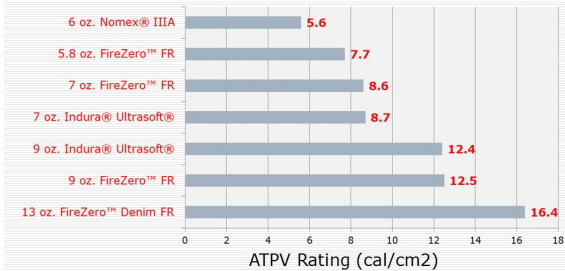

Flash Fire Performance Test (3 second burn)

Percentage of Body Burn Under Protective Garment
Measurement depicts burn under the garment; allowing 7% for head

Arc Thermal Performance Value - Single Layer

Call Burtex for all of your FR work wear. Burtex understands that choosing the right clothing is vital in harsh environments and that the right level of protection will keep workers comfortable and protected.
